

Apply and take part at the Conference at IE Business School in Madrid:

TUM School of Management
Technical University Munich

Secure your spot! Join forward-thinking students to build a better world. Collaborate with top business schools in envisioning a sustainable future.

- Collaborating universities: Politecnico di Milano, EDHEC Business School in Lille, Technical University of Munich, UCL Business School London, IE Business School Madrid
- Date: June 21st - 22nd
- Location: IE Campus, Madrid

Why Attend?

- Collaborate with top business schools
- Engage with like-minded students from other top business schools
- Attend a dinner with the Dean of the TUM School of Management
- Receive a participation certificate
- Costs for the trip will be covered within a stipulated budget

How to Apply?

- Send your one page essay to outgoing@mgt.tum.de by **15th May** with the following topic (feel free to use AI Assistance):

Imagine and vividly describe, in a one-page document, a company that epitomizes success in a sustainable future. Envision what it does, how it operates, and what it looks like. This exercise is not just an application requirement but a glimpse into your innovative thinking and commitment to shaping a positive impact.

Foresight 2050: Environmental and Social Justice in Business Management (June 21st- 22nd)
