## Student Assistants (m/f/d)

The Professorship of Business Analytics (**Prof. Dr. Jingui Xie**) of the TUM Campus Heilbronn is looking for **Student Assistants (m/f/d)** starting at the earliest possible date. Weekly work time will be up to 8 hours. The position is initially limited for one term, but the option for extension is given. A longer-term cooperation is desired.

### Requirements

- Currently enrolled
- Solid knowledge in predictive and prescriptive analytics models
- Excellent skills in Python
- Excellent **English** speaking and writing skills

### Tasks (Among Others)

- Support digital teaching in **Business Analytics**
- Help prepare slides and exercise solutions (Python code)
- Support research

### Application

Please send your application (including a short CV and transcript of records if available) either via post or e-mail to Mr. Zhiyuan Lou at [zhiyuan.lou@tum.de](mailto:zhiyuan.lou@tum.de), quoting the keyword “Business Analytics”. For further information regarding this job offer please also contact Mr. Lou. The application deadline is (midnight on) Saturday, **30.04.2022**.

TUM strives to raise the proportion of women in its workforce and explicitly encourages applications from qualified women. Applications from disabled persons with essentially the same qualifications will be given preference.

### Data Protection

As part of your application, you provide personal data to the Technical University of Munich (TUM). Please view our privacy policy on collecting and processing personal data in the course of the application process pursuant to Art. 13 of the General Data Protection Regulation of the European Union (GDPR) at <https://portal.mytum.de/kompass/datenschutz/Bewerbung>. By submitting your application, you confirm to have read and understood the data protection information provided by TUM.
