

## **Student assistant in Entrepreneurship and Family Enterprise (f/m/x)** **(up to 40 hours per month)**

**We**, the Global Center for Family Enterprise at the TUM School of Management, TUM Campus Heilbronn (Prof. Dr. Miriam Bird), **are looking for you!**

Our center is looking for a student assistant from now on for the period of the summer semester (February 2023 – October 2023) – with the possibility of extension – to support research activities for up to 40 hours per month. We welcome applications from motivated master students of all fields. Working hours can be organized flexibly both during the semester and the semester break.

### **You:**

- Matriculated Student
- Responsible, accurate, and team-oriented way of working
- Fluent in English (German language is an asset but not a must)
- Proficiency in working with large databases and programming languages (e.g. Python)
- Good knowledge in statistical software programs like R or Stata is advantageous
- Deep interest in the field of Entrepreneurship and Family firms
- Motivation to support the team in research activities (in particular data preparation)

### **We offer:**

- Outcome-focused way of working (Flexible working hours)
- An attractive work environment equipped with modern offices and digital working equipment
- Working within a young and motivated research team
- Opportunity to apply and deepen your research skills
- The possibility to acquire a full-time PhD position in the long-run
