Electives in management

As part of the economics electives, students complete credits in economics from a supplementary elective catalog totaling at least 30 credits. Of these, 12 credits can be earned as part of a project study in accordance with § 37 a.

Instead of examinations at TUM, subject-related examinations amounting to 30 credits can be taken at a foreign university as part of a stay abroad. For this purpose, the students compile an individual

Master's Thesis

module number	Master's Thesis	Required / elective				Credits			Language of instruction
WIHN9268	Master's Thesis (Master in Management)	Required				30 Credits			English

Explanations:

Sem. = Semester; SWS = Semesterwochenstunden (weekly hours); V = Vorlesung (Exam); Ü = Übung (exercise); K = Klausur (exam); S = Seminar. In case of an oral or written exam, the duration of the exam can be found in the column "duration of exam" (in minutes).
