Munich: Engagement for incoming exchange students

Option 2: Accommodation offer

- You can sublet an apartment or room during your own stay abroad to an incoming student of the TUM School of Management in accordance to TUM semester periods

- **Conditions of Participation** and **Accommodation offer** must be handed in together with the application and are binding!

- Advantage for TUM students: short and fast application, no additional organizational effort (International Office will be the contact person)

---

**Conditions of participation**

in the TUM SOM Accommodation Database

Binding for all students who seek to profit from their participation in the accommodation database within the application procedure for the TUM SOMex (incl. ERASMUS+) program

**Important Information**

By uploading the accommodation offer, together with the application for TUM SOMex (incl. ERASMUS+); a subletting student commits himself/herself to make an accommodation available, which fits to the condition of the sublet (placed below) to one of the incoming exchange students at TUM School of Management. A subletting student hereby agrees that his/her contact details will be forwarded to interested incoming exchange students. In the case that you will not get your first priority (country and/or period abroad) you are still obliged to sublet an accommodation to an incoming exchange student for one semester. You are not obliged to sublet your accommodation if you are not nominated by the TUM or if you are nominated but decide not to take the offer. The sublet must take place during the academic year that you are abroad (see point 1. of Condition of this sublet). Refusals of requests of incoming students for the accommodation will only be accepted in case of substantive reasons. If a subletting student receives more than three requests from three different incoming students, no reasons for refusal will be accepted and he/she must sublet his/her apartment to one of the applicants. If applicants were refused without any substantive reasons or if a subletting student refuses more than three requests, the TUM SOM IO reserves the right to withdraw the subletting student from the TUM SOMex (incl. ERASMUS+) program and cancel his/her nomination with our partner university.

**Benefit of a participation in the TUM SOM Accommodation Database**

A participation in the TUM SOM Accommodation Database counts as social commitment for incoming exchange students and will be acknowledged as a 10% bonus within the application for TUM SOMex (incl. ERASMUS+) at TUM School of Management.

**Condition of the sublet**

1. Duration of the sublet: The accommodation to be sublet has to be available for the incoming exchange student at the start of the following periods of time (mandatory):
   - For a sublet within the winter term: beginning October – end of February
   - For a sublet within the summer term: beginning April – end of August
2. Rent: In order to guarantee fair prices to students, the rent must not exceed the current price per square meter according to the “Mietwerte Mappe” (price per square meter according to: https://www.mgt.tum.de/programs/international-exchange-programs/going-abroad/your-tum-somex

Chances to be nominated

Questions regarding your individual chances to be selected cannot be answered

- No „minimum grade point average“ per partner university
- Chances depend on number of applications per university and how they compare among each other.

Please note: The statistics cannot look into the future, it just shows the nomination rates of previous academic years.

Freemover

If you are not participating in a program organized by TUM, such as TUM SOMex (incl. ERASMUS+) or TUMexchange for your study abroad, you will be classified as a "Freemover". This means that you will be organizing your studies abroad yourself and will have to cover tuition fees. Useful information for Freemovers can be found [here](https://www.mgt.tum.de/programs/international-exchange-programs/going-abroad/other-ways-to-go-abroad).

Please check your desired university at the [Abaclud Database](https://www.mgt.tum.de/programs/international-exchange-programs/going-abroad/other-ways-to-go-abroad) to ensure that courses abroad can be recognized at TUM School of Management. Courses from universities with an H+ status are eligible for recognition. If your desired university has a different status, please contact the International Office via [outgoing@mgt.tum.de](mailto:outgoing@mgt.tum.de).

For further details concerning [credit transfer](https://www.mgt.tum.de/programs/international-exchange-programs/going-abroad/other-ways-to-go-abroad), please have a look [here](https://www.mgt.tum.de/programs/international-exchange-programs/going-abroad/other-ways-to-go-abroad) ("How to get credits transferred" in the section: "During your stay abroad"). For further support, please contact the International Office of TUM School of Management.
