Language of instruction:	English (C1) / basic knowledge Spanish preferable
Application Semester:	B.Sc. students can apply at least in their 3 rd semester
Application Deadline:	1st December 2023 for program start in Sep 2024
Application Registration via:	click here

Documents to be submitted:

- Current Transcript of records
- Abitur / Baccalaureate / A level certificate
- CV including personal statement, qualifications and other skills (in English)
- DAAD Language Test English or equivalent (C1) (not older than 2 years)
- Optional: DAAD Language Test Spanish or equivalent
- Matriculation certificate

Please send your application documents, after your online registration, via email to jip@mgt.tum.de.

Subject line: application for EEP_ESADE_”your name”

After submitting your documents, you will receive a confirmation via email at the latest on the following working day after the application deadline. It is not possible to submit further documents after the application deadline.

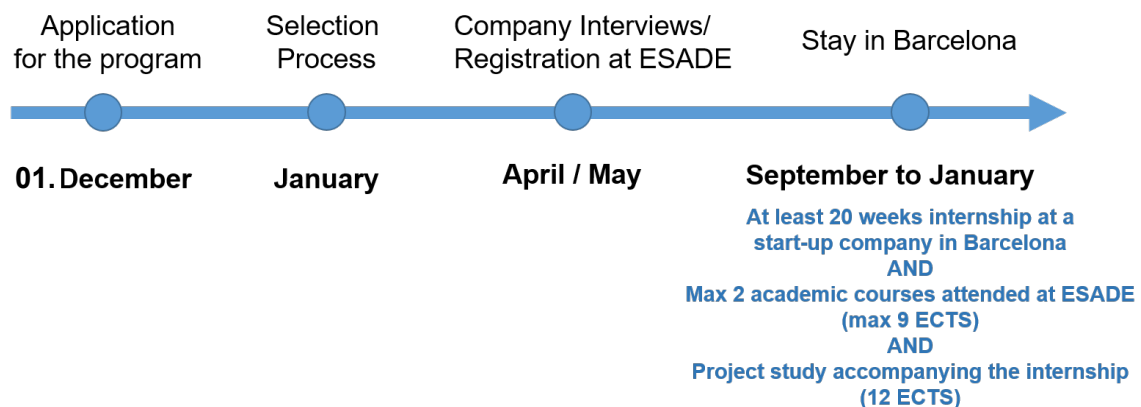

Selection procedures:

The application process consists of two parts: the pre-selection and an interview.

1. The pre-selection is made on the basis of the submitted documents.
2. A rejection or an invitation to an interview will be sent to the candidates by email mid-January.

An additional application for the exchange program "[TUM SOMex \(incl. Erasmus\)](#)" is possible. In the case of successful nomination for the Entrepreneurship Exchange Program the application for the "TUM SOMex (incl. Erasmus)" is automatically annulled.

Timeline:

Please be aware that a participation in this program might extend your study at TUM. It is each student's responsibility to, jointly with the respective Program Manager, determine whether and how this exchange fits with the student's degree plan and whether the courses taken may be recognized for the TUM degree.

The following elements are included in the program (subject to change):

- Internship at a start-up company in Barcelona (at least 20 weeks)
- Module equivalent for Project Studies at TUM (12 ECTS)
- Participation in business related courses at ESADE (max. in sum 8-9 ECTS)

Transfer of Credits:

8-9 ECTS for max 2 courses and 12 ECTS for the module equivalent for Project Studies at TUM. Please note that the described courses are tentatively and a change in these courses is not excluded.

ESADE		TUM
Module equivalent for Project Studies 12 ECTS internship-based and accompanying the internship		Project Study 12 ECTS
Max. two of the following courses (max 8-9 ECTS, class-based) (subject to change)		Elective in Management & Technology (BMT) Management & Technology (BSMT) Each course 4 (5) ECTS Max. 2 courses = 8-9 ECTS
Course name	ECTS	
Artificial Intelligence and Machine Learning	4	
Supply Chain Management - SCM	5	
Operations Financial Controlling: working capital and cash flow analysis	4	
Leading teams in a globalized world	4	

Participating in this Joint International Program meets the prerequisites to register for the examination in the module “International Experience” (B.Sc. (Munich)) 3 ECTS.

Financial support to the intern is not guaranteed and depends on the enterprise. We recommend to apply for an Erasmus scholarship with support of our office.
