

Please note: Take into consideration all academic years listed below, in order to see how the nomination rates developed.
Most exchange places are assigned via the first preference.

nomination rate* - selection procedure TUM SOMex (incl. ERASMUS)

* Explanatory note: General speaking: The higher the percentage, the more likely it was in the indicated academic year to receive an exchange place at this university.
Example: Queensland University: In 2024/25 25% of the students who selected this university as their first preference, received an exchange place at that university.

as of: June 2024
